

# Sardis Doorway for Mothers' & Children Society

December 2023

Since 1987, **Sardis Doorway** (first as *Sardis Open Door*) has worked to support mothers of young children who find themselves parenting alone.

Over these 37 years, hundreds of families have benefited from the support, encouragement and community offered to them at Sardis Doorway.

In 2005, it became clear that programming was needed for women who have experienced abuse in relationships. Sardis Doorway stepped in to fill the gap by offering **When Love Hurts** groups where women learn, grow and heal in a safe place.

### Sardis Doorway continues to meet the needs in our community

During covid, the Board of Directors worked on strategic planning and leadership development. Through this process, it became clear that pregnant and parenting young moms were underserved in our community and this was a place we could fill another gap for our community.

**Sardis Doorway for Young Moms** began in October 2023 with seven young women gathering weekly. They meet to learn, grow and create a safe place of community for themselves and their children.

Sardis Doorway for Mothers & Children Society continues to offer relevant programming that meets the needs of families in our community. How will you join us in this work?

### DANA'S DOORWAY STORY

In September of 2020 I joined my first When Love Hurts group. I picked up my WLH book before the group started. I couldn't believe how much of it was relevant to what I was going through! When I attended my first group meeting. I felt safe and cared for, and they offered childcare! Finally I had a space to open up and feel like I was not alone.

In September 2021, I joined Doorway with my daughters. While they made friends, sang songs, did crafts and had snacks, I learned how to be a better parent and how to love myself because I matter too. So many times I came into Doorway beaten down and exhausted. A weight would be lifted the second I stepped through the doors. I could drop off my children and sit down with a cup of hot coffee and adult conversation. And then, the icing on top of the cake, they fed us.

When my marriage ended in December 2021: Doorway was there. When I was picking up the shattered pieces of my life and had to get back to work: Doorway was there. In 2022 I became a Community Support Worker and obtained my Class 4 license while working for Chilliwack Society for Community Living. In August 2023 I started working full time as an EA for the School District!

I love everything about Sardis Doorway.

Sardis Doorway offered me a hand, as I picked myself up and at times they were the only hand I could see.

Because of Doorway, I am now able to walk steadily on my feet as I walk hand in hand with my two beautiful daughters.

So yes, I'll graduate, but I won't say goodbye.

## The story of our milk

For more than 25 years, Sardis Kiwanis has provided the funds needed to offer milk to each of our families each week.

40 jugs of milk each week x 32 weeks of Doorway ~ that's a lot of milk! Thank You Sardis Kiwanis! With the increase in the price of milk, we have a bit of a shortfall ~ will you help fill the gap?
